I live in Springwood but I am a regular in Birkby as my children live and work there.

I want to say that Birkby is by far the most congested and busy area in the whole of Huddersfield. It's near to impossible to find a safe parking without having to park on yellow lines or infront of someone's driveway.

There is already so much going on Bay hall/ Common road, from a mini supermarket, to a garage, a Tuition Centre, car garage, and flats. It is atrocious to even think there is space for something else, one should know of the high risk that they will be putting the public in.

I oppose to the decision of planning anything here and request for it to be rejected,
