To Jennifer Booth

On the 6.01.2022 I sent a e-mail to [dc.admin@kirklees.gov.uk](mailto:dc.admin@kirklees.gov.uk).

This is regarding the planning application 2021/94559, I am very concerning about the impact it will have on my house. That the excavation work needed for the proposed building next to my boundary

line will damage the foundations to my house, also the value my house.

Will you please reply to acknowledge receipt to the comments expressing my concerns in the e-mail dated,

06.01.2022 and this e-mail.

I feel it would be beneficial for someone from you team to visit and see the actual situation before any final decision is

Made regarding this application. My phone number is
