<p>I object most vehemently to the development of the grazing land at Bradley Villa Farm. Our local infrastructure is UNABLE to cope with the traffic as we are now ,schooling and healthcare would be inadequate . The air quality would be at an even more unacceptable level, wildlife would be threatened. Farming land is farming land and should stay so.</p> <p>It is MORALLY and SOCIALLY wrong to destroy greenbelt.</p> <p>As a codicil to this the developer has managed to increase the housing from 270 to 277. Does anyone "really care"</p>
