Do you wish your comments to be published on the website anonymously?	Yes
<p>This proposed distribution warehouse will create a huge increase to the levels of traffic around chain bar roundabout, which is already close to capacity, especially at peak times. This will lead to huge traffic delays around both scholes and cleckheaton, to the detriment of local residents.</p> <p>Also the building will simply create an eyesore in place of green fields. It would be much better suited on an industrial estate.</p>
