<p>I feel that such a large unit will have an impact on the amount of traffic, when the chain bar and junction 26-27 already have large amounts of incidents.</p> <p>When you use these roads regularly it becomes quite apparent there is already too much traffic.</p> <p>I also feel like it will not fit in with the surrounding area and for once can we not keep a bit of land/green space as it is.</p>
