5. Grounds for Application

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

My Clients are looking to create more space and have a large garden to do so without affecting any neighbouring properties. They could do the work under permitted development but because they want to go out 4.5m instead of 4m are having to apply.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
