Dear Sirs
I would like to strongly object to the 3 metre double and single extension proposed for 5 Lawnhurst Mews WF13 4TB
Application number : 2022/62/90756/E
1.... Overlooking/ privacy
2.... PARKING needed
3….Dominating / Overbearing extension
My husband and I have lived in our property for 35 years and have been accustomed to a certain amount of privacy, I believe that the size of this extension will overlook our garden and impact on our privacy.
As stated in “Draft House Extensions and Alterations SDP Key Design Principle 15: provision for parking” Any 4+ bedroomed dwellings should provide 3 “ off street parking spaces” which I don’t believe as been taken into account with the extended 5 bedroomed dwelling.
Because it is at the end of a cul de sac should not presume this can be used for excess vehicles.
Emergency vehicles and waste services still need access.
The size of the extension will I believe be overbearing and very domineering for the area it is in.
