<p>As the existing site is already a pub it could reopen tomorrow without the proposed changes... The new plans to make it more accessible and inclusive to all with the addition of disabled toilets and improving accessibility, will mean that the pub can be enjoyed by the whole community.</p> <p>The other two drinking establishments in the village have no designated parking at the moment and it doesn't seem to be a problem for either.</p> <p>Plans look fantastic and will be great for the village.</p>
