

**Consultation Response from KC,
Lead Local Flood Authority**

**2022/91033 Former North Bierley Waste Water Treatment Works, Cliff Hollins Lane, Oakenshaw,
BD12 7ET**

**Discharge of condition 13 (foul water drainage) of previous outline permission 2016/92298 for
re-development of former waste water treatment works following demolition of existing
structures to provide employment uses (use classes B1(c), B2 and B8)**

Date Responded: 11th April 2022

Responding Officer: Paul Farndale

Responding Ref:

Condition 13 – Foul Water Drainage

Connections points to the public sewer network and restrictions on foul water drainage would require a response from Yorkshire Water. The LLFA is statutory consultee for surface water.
