Hi Richard,

I'd like to object to the plans for 34 houses on Oddfellows street.

Apart from taking away the last bits of greenbelt in the area, the extra cars will go down my street which is very narrow as it is. Towards the end of Salisbury Road there are cars and vans double parked.

Turning from towngate to Salsbury you have to drive on the wrong side of the road because of parked vehicles. We often meet other cars head on as it is.

The access roads can't handle the extra traffic.

regards
