<p>This is our strong objection to the proposed plans for 34 dwellings on Oddfellow Street, Scholes, due to several factors.</p> <p>The schools in the area are already oversubscribed, with us being unable to get our eldest into Scholes Primary School.</p> <p>Our property backs onto the field, therefore there will be an impact on the natural environment which was a considerable draw to both the property and area.</p> <p>Oddfellows street is un-adopted and privately owned by opposite residents. How does the developer intend to use this as access without permission of residents.</p> <p>It looks as though there are windows on the first-floor elevations which will overlook our garden and impede our right to light.</p> <p>We support all previous comments made by our neighbours and would request that this application be objected.</p>
