18th July 2023

Dear Sir/Madam,

Land south of Oddfellows Street, Scholes, Cleckheaton - Erection of 34 dwellings along with all associated infrastructure, parking, open space and landscaping

Thank you for your recent re-consultation letter with regards to revised information submitted, that took over the 5 day standard time frame for the details to published on your public access documents list. On reviewing the latest site layout and other drawings, no comments are required and the previous Yorkshire Water comments letter dated 9th September 2022 still apply, unless the drainage layout drawing that was agreed, has been altered significantly to reflect the latest development layout, which would require further consultation and agreement by YW.

Yours faithfully

Jim McGlade
Development Control Agent
