Subject: 2022/91168 - 3 Paddock LBC

Based on the revisions discussed today, I would recommend that the south facing façade is retained without any further alterations as this will cause additional harm to the character of the former laithe house by further eroding the historic form of the building. A simple stone built single storey side extension on the west gable may be a more suitable option if there are no historic architectural details in this location.

Kind regards
Sue
