AUGUST 2021

APPLICATION NO. 2019/62/90486/W

**DEMOLITION OF DWELLING AND ERECTION OF 7
DWELLINGS**

**120 LAUND ROAD, SALENDINE NOOK, HUDDERSFIELD HD3
3TY**

CONDITIONS 8 AND 9 - CONTAMINATION

An application, 2021/93275, was submitted to discharge the conditions on the above application. This application discharged all the outstanding conditions for the whole site other than 8 and 9 (this application covered plots 2, 3 and 4 only).

This new application covers the remaining plots 5,6,7 and 8. Gas membranes have been installed and inspected and reports produced. Initially details for Plot 7 accompany this submission. It has been agreed with the Environmental Officer Natalie Heaney, that all remaining plots can be submitted as one application and discharged individually. The reports for 5,6 and 8 will follow shortly.
