

**Consultation Response from KC,
Ecology Unit**

2022/91284 Greenhead College, Greenhead Road, Huddersfield, HD1 4ES

Discharge of conditions 16 (Ecological Design Strategy), 17 (external materials), 27 (Noise Assessment) and 31 (Hard and soft landscaping) of previous permission 2021/93674 for partial redevelopment of Greenhead College including demolition and making good, erection of 2 and 4 storey buildings, reconfiguration of parking and access arrangements, reconfiguration of sports provision and other associated external works (Within a Conservation Area)

Date Responded: 09/09/2022

Responding Officer: Gareth Hey

Responding Ref:

An updated Biodiversity Net Gain metric and Ecological Design Strategy has been submitted in support of the discharge of condition 16. The updated documents ensure the development will deliver a biodiversity net gain of 11.13% thereby still ensuring that a minimum of 10% net gain is achievable for the scheme. As such, I still support the discharge of this condition with the updated information provided.
