<p>This is on behalf of _____ who lives at _____</p> <p>This build has already commenced, so your letter is a wee bit late for her to object to this extension on the house she sees from _____</p> <p>It does not directly affect her really, however, they have taken some of the land that belongs to _____ in erecting a fence over it. So you need to address this in some form or other.</p> <p>Please ensure in future you ensure the builds have not commenced when you send these letters out.</p>
