As a resident living very near to the proposed development, I would like to object. I believe that what is being proposed will cause more issues on the road in which is already a busy area (especially when problems on the M62). There is no requirement for anymore shops/cafes/fast food joints and this will take away business for local independents. Due to the overdeveloped area of Lindley Moor Road already, I feel we need to keep some green space to allow balance.
