Address of the site or building:	Land off Lindley Moor Road, Lindley, Huddersfield, HD3 3SX
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The additional traffic that this proposal will generate will be too much for the local road infrastructure to manage. There is no need for a development of this type in this location. The only benefit of this will be financially for the landowner, developer and large national chains who will no doubt take up the 'restaurant' and 'cafe' plots on the site. It will have a detrimental impact on local residents and have a significant negative environmental impact on the local area.
