<p>This development is completely wrong to propose here. Please listen to all of the local residents. Your planners and Councillors say we are demanding more amenities, etc. but we are not!</p> <p>We love the green fields here which is why we live here. we dont want it turning into an industrial area.</p> <p>the place is becoming unsafe with all of the traffic and pollution. This field is not suitable nor fit for this developement.</p> <p>We dont want more supermarkets or takeaways, there are plenty in the area.</p> <p>Weatherhill Road is a nightmare trying to get out of, Lindley moor Road is gridlock at peak times and this will make it worse.</p> <p>There is already lots of antisocial behaviour and speeding and this will only increase this.</p>
