I wish to object to the planned development just off Hermitage Park, Lepton. The area is greenbelt and totally unsuitable to building a significant housing estate. The local school is at capacity as is the local GP surgery. Access to the housing estate will be via the cul-de-sac of Hermitage park which will bring high traffic pressures to already a the high risk route of Rowley Lane and the junction with Penistone Road. The area also has local flooding issues which further development will only add to the problems.
