Discharge condition 7 (bins) on previous permission 2019/93605 for erection of 1 dwelling

Date Responded: 28-6-2022

Responding Officer: Mark Berry

Responding Ref: 10-12NW-17

This application seeks approval to the discharge of condition 7 (bins) on previous permission 2019/93605 for erection of 1 dwelling at April Court, Roberttown, Liversedge.

7. Before development commences, details of suitable storage, bin presentation points and access for collection of wastes from the dwellings hereby approved shall be submitted to and approved in writing by the Local Planning Authority. The approved details shall be provided before first occupation and shall be so retained thereafter. Reason: To meet the requirements set out in Policy LP24 of the Kirklees Local Plan in the interests of highway safety.

The applicants have provided plan number 8057/1 showing acceptable details of storage, bin presentation and access for collection of wastes from the dwelling and Highways Development Management have therefore no objection to the discharge of this condition.
