User comments

Type of comment: A general comment	
Do you wish your comments to be published on the website anonymously?	Yes
Can you explain how the access to 3, Leeds road is affected, we need constant access to the A643 in both left and right directions. If people are queuing in vehicles to gain ingress and egress to car park there could be a problem for us at the property when entering and leaving our property. Will you please contact this email address if you have any thoughts on my concerns. Kind regards,
