I object to this application for various reasons, firstly the location is on a extremely busy crossroads on the edge of the village. access from the village requires crossing the Gelderd/Huddersfield road. Secondly Birstall already has a Tesco, coop and mini quick save, a more expensive supermarket chain is not required and a sainsburys already exists a mile away in Gomersal. A development of this nature will ultimately take custom away from the village centre which is already struggling to improve foot flow and will cause even more traffic issues.
