1) Intended site of supermarket is located on a already very busy and dangerous junction, where the traffic repeatedly backs up the road beyond the proposed entrance to the supermarket, making access here unviable. 2) As a business owner in Birstall I am also aware of the struggling footfall to the centre of Birstall and feel another supermarket is not necessary as we already have 2 in the village centre, and a 3rd supermarket would prove detrimental to foot flow as people will park there and not bother venturing over the busy huddersfield/Leeds road to come up into Birstall centre. 3) People of Birstall need houses not more supermarkets, we have a housing crisis in this area-with people desperate to get on the property ladder, but there are no available homes to purchase.
