I feel that building another shop is not needed in Birstall, as we already have two well established supermarkets in the centre of the village which is safer to drive to, the traffic of Huddersfield Road is already busy enough at all times of the day and especially at peak times so the impact of people trying to drive in and out will make things even worse and possibly dangerous, traffic gets backed up as it is without adding more unnecessary noise ,traffic and pollution we already suffer on a day to day basis. I object !
