<p>I object to the proposed planning application. Huddersfield road is already busting at the seems especially at peak times. I believe that opening up yet another supermarket would be detrimental to the already struggling small businesses in Birstall town centre. Birstall already has two large chain local stores why do we need another? The new store will bring a lot more traffic to an already busy stretch of road which will only increase the flow of traffic through the side streets which are used as rat runs,a lot of these are narrow and have children playing on them so the obvious risks for more accidents will increase with the extra traffic flow. I object to this plan.</p>
