Subject: RE: 2022/92097 RE: Donaldsons Hospital.

Thank you for a response.

I can provide daily photographic updates also but that does not serve anyone any good.

I still feel a facilitated meeting of all parties would be beneficial in driving forward a workable solution both from the on going issues which appeared to be being ignored, and the longer term enhancement planning request.

In the meantime no planning submission or decision should be reasonably considered on such subjective submissions.
