Subject: Re: Planning Application at Playworld, Westbourne Road, Marsh

Lucy,

Thank you for this - I complained about this back in March when the advertising went up - So it seems that the applicant has put in an application after it being reported to planning which is completely “cart before the horses” which is what I would come to expect. The likes of the advertising itself, it would be more at home outside “wildcats” in town rather than a residential area - also please note the date of the "retro night" and how that predates the advertising consent submission (1st July 2022)

I would like to fully object to this application as we have to look at it on a daily basis and its an eyesore. It is also inappropriate for the business they conduct also.

I think the local community would be a bit more sympathetic towards this business if it actually listened to the feedback from the residents and acted considerately – I have complained about the security lights that shine into our bedroom through our blinds and might as well have put my details in the bin.

Cheers

Subject: Planning Application at Playworld, Westbourne Road, Marsh

Good morning

I am emailing following communications with Kirklees Council's enforcement team, to make you aware of a planning application which has been submitted for Playworld on Westbourne Road in Marsh.

Further details of this application can be found via the Council's planning portal: https://www.kirklees.gov.uk/beta/planning-applications/search-for-planning-applications/detail.aspx?id=2022/92247

Kind regards
Lucy Taylor
