<p>My Daughter can only use these facilities at Bradshaw Road Stables during the dry & warm periods. By enclosing the arena with a purpose built enclosure and roof will improve the visual appearance from Wood Nook Lane/Bradshaw Road, blending the enclosure in to the tree line behind and the opposite valley towards Castle Hill.</p> <p>With this greatly needed improvement my Daughter who suffers with ADHD, UTCD, Hypermobility, social anxiety and auto immune, will increase her need/ability to socialize and enjoy her four legged friends in all weathers.</p>
