User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>This application will have a noise impact on the area. Noise travels easily across the fields. Back Lane will be affected by this application. The application will also affect traffic in the area. The road is already very busy and very dangerous with regular accidents on the stretch of road. The noise impact could have an affect on the property prices in the location.</p> <p>This application should not be granted.</p>
