Hi Alice,

I'd like to register an objection to the above planning application for Dog – day care facility off Lane (reference above).

Noise generated from anywhere along Lily lane carries to here and the sound of dogs barking will carry to all the houses and gardens of the properties along Back Lane in Grange Moor (I live at no 25). This will be very unwelcome noise pollution and is also likely to affect the value of our home. Additionally it appears the original application has been expanded to a larger area with more Dogs – this is unacceptable. It appears that fencing has already been added to the fields before planning has been granted. Advertising also indicates that this is going to be a kennels.

Best Regards

25 Back Lane,
Grange Moor,
