<p>Having visited the site on just one occasion before deciding to use them & leave my 2 year old dog I found this to be a very professional set up & a friendly team.</p> <p>The site was clean of dog mess and no barking from the dogs who were there playing so they must of been very happy and settled within the environment of Happy Hounds.</p> <p>The services they offer includes a pick up and drop off so I have no need to visit the premises & this is a service which we and many others rely on in our busy lifes</p>
