<p>I think this is a really good service proposed and really good for the community. It offers new jobs and somewhere for your dog/s to go where they can socialise and you know they're safe.</p> <p>They offer a pick up and drop off service which reduces road traffic so I'm sure it won't cause any disruptions for people in the area / local residents.</p> <p>I can't see any downsides to this.</p>
