Postcode:	HD9 3BW

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
To be built on a dangerous bend near a school Will increase traffic in a pedestrian heavy environment The site is a greenbelt site ruins local biodiversity - trees, birds, rabbits habitats will be destroyed Site regularly floods during heavy rainfall due to the positioning at the bottom of the hill and the terrain Goes against local climate change policy. Removes a regular dog walking site from the community Removes a regularly used public footpath Removes public community greenspace
