Dear Sir/Madam

I am writing to strongly object to the plans for any type of housing to be passed on the site at the Old Quarry/Chippings site at Chapelgate, Scholes in the Holme Valley.

This is our precious green belt land and is totally unsuitable for building of any housing on a dangerous corner of a T junction where there are no pavements.

Please do not pass these plans mainly for the safety of Scholes residents but also the flora and fauna which occupy this site.
