Subject: Application Number: 2022/62/92406/W.

Denecroft,
Chapelgate,
Scholes,
Holmfirth
HD9 1SX

I object to the 10 affordable houses proposed to be built on the corner of Dean Bridge Lane, Chapelgate & White Wells Road. for the following reasons.

- * The site is designated Green Belt and not owned by Holmfirth P.C.
- * The impact of increased traffic on Chapelgate
- * Chapelgate is now used by Double Decker Buses with limited pavement
- * Paving not complete down to the corner of White Wells road effectively all Chapelgate Which makes a danger to young children
- * Potential parking issues on and around Chapelgate, White Wells Road & Dean Bridge Lane. for 10 extra cars!
- * Road safety issues due to site being a dangerous blind bend.
- * More pressure on the Scholes village water/sewer infrastructure.
- * Potential flooding issues on the site and down Dean Bridge as the road slopes on the corner
- * Loss of community green belt.
- * Loss of wildlife and biodiversity.
- * Detrimental impact on local amenities - doctors, dentist, school

Yours faithfully
