User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This area is greenbelt so unless it's exceptional circumstances should be left as it is. Housing is not exceptional circumstances. These wild areas are getting rare in Kirklees but are crucial for wildlife, birds and insects. Since the 1980s we have lost 400 million birds. This area needs preservation not building on. Find a brown site to build these houses.
