Subject: 2022/92406Fwd: Chippings site, Scholes
Date: 12 September 2022 18:31:53

Dear all

I greatly object to the planning of 10 houses on the Chippings site on Chapelgate, Scholes

We live adjacent to the site (2 white wells, dean bridge lane) where traffic coming round the corner of the site is already a danger. The proposed houses will not only add to the traffic but will also add to a very dangerous existing blind spot regardless of a proposed footpath

Yours sincerely
