Subject: Planning application no 2022/62/92406/W

Dear Mr Hirst,

My direct correspondence to you is in relation to the above planning application number. I wish to tell you that yesterday I served form WCA6 to Holme Valley Land Charity.

This is to inform them of my application to Kirklees for a public right of way (footpath) to be added to the definitive map.

The footpath through the quarry to the above fields & beyond has been used for many years, it has become a right of way and needs adding to the legal record.

Best Regards
