Postcode:	HD9 3BW

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I object to the new housing development for a number of reasons. First, the land is green belt and there are alternative options to build on brown field sites within the area. It is important green belt is not encroached as this is a slippery slope for development and loss of important green belt for recreation and the local environment. Second, the access to the site is on a dangerous bend and increased traffic through an already congested Scholes and Hepworth is dangerous to road users and pedestrians.
