Postcode:	HD9 3BW

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This land has been used by the church for community purposes and now by children etc to enjoy. This site cannot sustain the houses without damaging an established green space. The area infrastructure is not able to support more houses there are times when buses etc struggle to access the area due to narrow roads and traffic. This is a terrible idea when there are other areas that can be redeveloped.
