Subject: Proposed building on Dean Bridge Lane/ Chapelgate, Scholes,

Dear Mr Hirst,

I wish to complain in the strongest possible terms about the proposed housing development in the disused quarry on the bend as Dean Bridge Lane ends and Chapelgate begins.

My main problem is with the cars. Any cars from that development will be coming out on a blind bend. It's a cliché but it really is an accident waiting to happen, potentially a very serious accident.

Also, if children come out on to the road from the development there could be a fatality.

I am not exaggerating.

Please stop this development.

Surely nobody involved in this wants blood on their hands.

Yours sincerely,

I wish to remain anonymous, please.
