We wish to make minor modifications to plot numbers 2 and 3, as per the application drawings, to adjust the roof heights slightly and make minor modifications to the areas of render and stone. The roof pitches will be at 37.5 degrees as oppose to 40 degrees shown on the approved drawings, which will lower the pitch slightly, due to recommendations from the truss manufacturers. The proposed changes also allow the developers to maximise the volume of the houses to create better use of the space and make the properties more flexible and sustainable.
