| <p>The significance of the Royal Oak as a community hub must be seriously taken into consideration as more and more large properties are allowed to be built in the vicinity. As much as the village welcome this growth, its clear that this particular project will have a direct and negative experience on a visit to the only local family pub. I am sure there are other sites nearby that such projects can be carried out by those luckily able to afford such a thing, in the meantime let's all enjoy that pint, chat and beautiful valley panoramic for a few more years!</p> |    |
