<p>The view from the beer garden at the rear of the Royal Oak public House in Upperthong is one is sheer splendour. To be able to sit, socialise and enjoy the views of the Holme valley is something to behold and the benefits to mental health are immeasurable. It would be a crime to allow permission for the wall to be raised any higher than it currently is. This view has been enjoyed my many a resident over the years. Permission for any changes should be refused at all costs.</p>
