While I fully appreciate one cannot buy or own a view The Royal Oak pub (on Towngate) is famous for having one of the most iconic views anywhere in the UK. The Royal Oak is the only public house in the village and is the hub of the community. Not only that but because of its exceptional views across the Holme Valley and beyond, The Royal Oak attracts tourism from far and wide. The proposed plans to build behind The Royal Oak, on a conservation area, will have a dramatic and negative affect on the pub and village. The proposed plans are an incredibly selfish act and the people of Upperthong will simply not allow it to happen, under any circumstances.
