<p>I have to object to a 1.8m wall being built at the property where it adjoins the Royal Oak pub. The views from the back of the pub are ones of astounding natural beauty and to take it away from the residents of Upperthong would be a travesty. I don't object to any other work being carried out and if it creates additional parking on Towngate that's brilliant as it can be a real bottleneck round there but surely a compromise on the height of the wall needed to be built could be agreed? Upperthong is a beautiful village that I'm proud to live in and to purposefully remove any of the outstanding viewpoints in the area in my opinion is just morally wrong and could have an impact on the local business and the residents and visitors to the area.</p>
