I wish to object this planning application. Upperthong village is a very special village, our sense of community and community spirit is our biggest asset. Being such a small and close knit village, our local pub is the real hub of our community. The proposed changes will clearly be detrimental to the position and location of the Royal Oak pub. These proposed changes appear to be a direct and deliberate attempt to significantly damage the pubs business. At a time when all local businesses are struggling, we have a thriving village pub. As a community, we are protective of the Royal Oak pub. One private resident's building plans shouldn't be allowed to hurt our community. Please help us protect the hub of our village, please reject these proposals.
