<p>Objection - '25 & 45 Degree right of light rule'</p> <p>Issue - East Elevation, 2 story extension proposed structure Re: Property next door - 15a Towngate - As the current custodian of this property, built in 1837 I believe it needs to retain all of its assets, including its 'right of light', for generations to come. My concern is the '25 & 45 Degree right of light rule' - with reference to the rear windows, specifically the one that will be overshadowed by the 2 storey extension.</p> <p>Also note, due to the higher elevation 17 Towngate is to 15A Towngate (Towngate is a hill) the proposed 2 story extension will be significantly higher.</p>
