Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2022/62/92837/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF FIRST FLOOR SIDE EXTENSION

At: 44, OAKLANDS DRIVE, DALTON, HUDDERSFIELD, HD5 8PR

In accordance with the plan(s) and applications submitted to the Council on 22-Sep-2022, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed side extension, by reason of its design, would form an extension which is not subservient and would form an incongruous feature. To permit the proposals would be contrary to Policy LP24 of the Kirklees Local Plan, Key Design Principles 1 and 2 of the House Extensions & Alterations SPD and policies within Chapter 12 of the National Planning Policy Framework.

2. The development is in a bat alert area, close to an extensive and significant tract of woodland to the southeast likely to support bats as evidenced by nearby roosts. A Bat survey by JCA Ltd (ref; 20485/Awe. Dated 23/03/2023) was supplied identifying moderate suitability for roosting bats. Two further bat surveys consisting of dusk emergence surveys are considered necessary. In the absence of the submission of the additional detail, insufficient and inadequate information has been submitted to enable a full assessment of the impact of the development and demonstrate compliance with Policies LP24h) and LP30 of the Kirklees Local Plan, Key Design Principle 12 of the House Extensions and Alterations SPD and policies within Chapter 15 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

For the reasons set out the development would not improve the visual or residential amenity of the area and a full assessment of the impacts to Bats as a protected species could not be made.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorates Website](#) . Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#).
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.
